## Chelmsford Chumps!

◇ Peter Hollebon (MEGs) - Before the memorial game on Sunday, Pete spoke to all the Evergreens reminding them that there would be women and youngsters playing in the game and to watch their contact...he then went on to be the only one to contact during the game! Ladies' 5's player Helen was the 'victim' of his over zealousness, obviously frustrating him by holding the ball up so well!

## Ross Thompson Memorial Game

*In steady rain the Evergreens took on a composite club side containing players from 8 of the clubs sides including a member of both first X1's . The game was a memorial for Ross Thompson, and his ex-wife Viggie and daughter Katie were amongst the spectators who braved the weather to watch the game.*

*The game was very even and the younger members of the club side were impressed by the Evergreens who as usual played their passing game and were far from being swept aside from Youth. The score of 4-3 to the club side reflects a very close and hard contested tussle which both sides enjoyed, it is hoped that this could become an annual event with a trophy being prepared.*

*After the game both sides retreated to the clubhouse to chat and socialise and enjoy both the remaining beers and excellent food courtesy of David Lines. It was particularly pleasing to see many of Ross' friends including Frank Lockhart who came out of umpiring retirement to officiate with Robert Nourse.*

*Evergreens on the left in red and club representatives on the right in green*

*Back row L to R: Danny Dempsey, Chris Randall, Ralph Thomas, Ed de Mello, Will Williams, David Fox, Chris Jullings, David Lines, Bob Smith, Tori Clarke (L1), Bryan Baker (M4), Mikey de Mello (M4), David Gill (MV), Helen Bourne (L5), Mike Surridge*

*Front row L to R: Ian Hunter, Gerald Wilkinson, Pete Hollebbon, Robert Nourse, Frank Lockhart, Adam Hunter (M1), Anna Smith (L3), Nicole Hull (U16s)*

## 60 Seconds with... Wendy Daden

**Team:** Ladies 4<sup>th</sup> XI

**Occupation:** Golf Professional

**1) You've been in fine scoring form this year, has the new division made scoring so many enjoyable or has the weaker opposition made it a bit more predictable?**

I'm so bored passing goals I am passing them to others now!

**2) Having spent all season in the top 3 scorers across the club, how have you found yourself 9 goals off the lead?**

Happy

**3) With the obvious opposition to yourself taking the title playing in your own team, will you be rallying the Ladies 4th XI to only pass the ball to you for the rest of the season?**

Team mates have offered but their price is currently too high; I'm saving up.

**4) How did you get into hockey in the first place?**

I woke up one morning and realised how unfit I was getting; I stupidly thought it would be easy, if I could hit a golf ball over 200yds to a target of four inches, how hard could it be to pass the ball a few feet along the ground?

**5) If the current league positions stay as they are for the Ladies 4th XI and 5th XI, will you be looking to drop down a team to try and beat your goal tally in Essex Division 4?**

I'm not sure, how many millions does the top scorer get?

We'd like to thank Wendy for her time, patience and good humour in answering these questions. Join us next week for more 60 seconds with!
