# New Editors Required

After three years of producing these news bulletins we have decided to stand down to allow some fresh ideas to come through.

New volunteers are required to take over from the end of this season so if you are interested please drop us an email and we will pass on any information you require.

We thank fellow club members for providing articles for us to 'publish' and to you all for reading the newsletters and hope you have enjoyed them.

# Ladies 1<sup>st</sup> XI mini season round up and the relegation playoffs...

The first half of our season in the East Conference league saw us pick up just 4 points from 4 drawn matches, putting us firmly at the bottom of the league despite some good performances. After a confidence boost from the level of play and goals galore in the indoor league and the addition of a few experienced players returning or stepping up to the 1's, saw us romp home with an impressive 15 points in the second half of the season. In this time we drew with 2<sup>nd</sup> place East Grinstead, and beat 3<sup>rd</sup> place St Albans along with Magpies, Ipswich and Wimbledon. In any other league 19 points would have seen us in 7<sup>th</sup> place or above but the East Conference League is a very tough and competitive league.

We've played some fantastic hockey and statistics show that the forwards scored 1 goal in the first 4 matches of the season and 9 goals in the last 4 games! It's these improvements that have given us a second bite of the cherry at staying in the National League...

So onto the next and last section of our season, the relegation play offs. **How does it work? Three teams play a round robin and the top team on points or goal difference will remain in National League while the other two return to Regional Premier League.**

Last Saturday during all that lovely sunshine, I braved the M25 and M4 traffic to watch our two oppositions and stood anonymously in the home crowd of the Barnes supporters! Barnes beat Boots so they only have us to get through to retain their National League status, their tails are up and we will have to be quick, hard and determined in both Ds to make sure the result goes in our favour.
