GOOD LUCK EVERYONE!

Mixed hockey

Chelmsford Mixed team is back up and running this year and what a great start to the season, winning 6-2 against Brentwood! Despite reports of Liam falling asleep at the train station after a night out and a few too many beers with the Men's 1's, he managed to put 3 goals away!

Mixed games are played on a Sunday and the team is in the Mixed Div 2 East League, as well as the Mixed Trophy. [Click here](#) to view the fixtures.

If you are a CHC member then you are eligible to play, whatever your level. It is a great way to meet others within the club and it's a good laugh! If you are interested in playing mixed hockey this season or have any questions then please drop Steph, the captain, an [email](#).

Top Scorers & Serial Offenders

Twice weekly training seems to be paying off for Ed de'Mello as he's now six goals clear at the top of the table. On the other hand it would seem that it's proving too much for Ian Hunter as he got a big fat zero goals this week!

Ally Farrar has jumped up the table after her fantastic five goals this weekend, maybe she's been poaching a few back off Sarah to get even!!

With the first mixed game of the season this weekend, it is a pretty impressive effort for the team to enter the Serial Offenders table in 2nd place! I don't think I remember a card being issued in a mixed game, not even when I didn't know the rule about stopping an aerial above your head! See this weeks [news link](#) to find out who the guilty brothers were, in that mixed team and find out what else happened over the goaltastic weekend!

**Come and support the Men's 1st XI vs Oxford Hawks
this Sunday in the second round of the EH Cup.**
